Subcommittee on Defense, Staff

Dear Susan,

The purpose of this letter is to advise you of the Agency's intention to begin negotiations immediately to lease approximately 223,000 usable square feet of office space

[Redacted]

25X1

These components presently reside in external buildings which, for a variety of reasons, the Agency does not plan to retain beyond 1988. Primarily these buildings have serious physical and technical security deficiencies, as well as high maintenance and operating costs. Due to space limitations, these DS&T components cannot be accommodated on the Headquarters Compound.

This is a unique and timely opportunity to consolidate various portions of the DS&T resulting in an ultimate cost avoidance and increased efficiency for the Agency.

We are prepared to provide you with any additional information you may require.

Sincerely,

Daniel A. Childs, Jr.
Comptroller
